

e.s. clima concept

Based on the e.s. clima concept you choose the warmth level you need for your physical activity. The e.s. functional underwear are the perfect solution whatever the job or temperature.

LIGHT

- for colder days
- pleasantly lightweight
- temperatures above 0 °C

WARM

- for cold days
- warming
- pleasant climate inside the garment

X-WARM

- for really cold days
- extra warm

- extremely breathable, fast-drying and highly elastic
